

## **Partnership-Track Diagnostic Radiologist**

### **Position Summary:**

San Diego Imaging Medical Group, an independent physician-owned practice, is seeking a fellowship-trained diagnostic radiologist to join us in July 2019 in a full-time, partnership-track position with full evening and weekend call responsibilities.

Applicants should possess a strong work ethic and be well rounded in general diagnostic radiology to include all cross-sectional imaging modalities as well as breast imaging and CCTA. Preferred candidates will also possess training and/or experience in Nuclear Medicine and PET/CT. Call responsibilities are equally shared, with overnight coverage provided by teleradiology.

This position is for San Diego Imaging's North Division, which provides coverage for Tri-City Medical Center and Palomar Medical Center, a Level 2 Trauma Center. Both facilities are located in North County San Diego. We also staff two free standing imaging centers. The North Division consists of 17 diagnostic, and 7 interventional radiologists. In addition to our beautiful location, SDI is known for quality, stability, fairness, and strong management. Compensation and benefits are very competitive.

### **Essential Duties and Responsibilities:**

- Full evening and weekend call responsibilities

### **Knowledge/Abilities/Skills:**

- General Diagnostic Radiology experience
- Nuclear Medicine and PET/CT Training experience

### **Education:**

- Doctorate
- CA License, Board Certified, Fellowship Trained

### **Work Experience:**

- 0-1
