Welcome to San Diego Imaging

San Diego Imaging (SDI) has been providing diagnostic and Interventional Radiology to the San Diego Community for over 40 years. We serve 8 area hospitals in San Diego County. These include: Sharp Memorial Hospital, Rady's Children's Hospital, Sharp Coronado Hospital, Pomerado Hospital, Palomar Hospital, and Tri City Medical Center as well as the Sharp and Children's MRI Center. San Diego Imaging also owns and operates two outpatient imaging centers in Kearny Mesa and Chula Vista. In addition San Diego Imaging provides professional services to two outpatient centers in Escondido and Oceanside.

Our physicians are a progressive group of radiologists; the largest group of board certified radiologists in San Diego County. All physicians are fellowship trained sub-specialists in each major area of imaging. Our physicians have then experience, training, and dedication to meet the health needs of the San Diego Community.
